Start your review of The Bund Shanghai: China Faces West. Write a review. Apr 21, 2015 Ian McHugh rated it liked it. A fascinating book but dated now. I'd recommend to anyone staying on/visiting the Bund to take a copy and stand in front of the buildings whilst reading. It's well-researched and thorough but could do with a new edition which ...

~~The Bund Shanghai: China Faces West by Peter Hibbard~~

The Bund or Waitan is a waterfront area and a protected historical district in central Shanghai. The area centers on a section of Zhongshan Road within the former Shanghai International Settlement, which runs along the western bank of the Huangpu River in the eastern part of Huangpu District. The area along the river faces the modern skyscrapers of Lujiazui in the Pudong District. The Bund usually refers to the buildings and wharves on this section of the road, as well as some adjacent areas. Fr

Building The Bund. The Treaty of Nanking effectively opened up China to the West, and in 1844 similar trade rights were awarded to the Americans and the French. According to Peter Hibbard ' s The Bund Shanghai: China Faces West (2008), in the 1840s the Bund was “ little more than a muddy towpath ” (p. 37). In 1845, the British consul Captain George Balfour secured exclusive British Settlement land running the length of the present-day Bund, which was extended by his successor.
