## LEADERSHIP | Creative Partnerships

Creative leadership is a style of leadership based upon the concept of working cooperatively to develop innovative ideas. Those who employ creative leadership tend to do so by creating conditions which promote creativity. Creating such conditions, which are sometimes called "supportive contributions", are described as psychological, material, and/or social supports that trigger, enable, and ...

### Creative Leadership - Wikipedia

The Center for Creative Leadership (CCL) was founded in 1970 on the notion that leadership was not innate but could be learned. CCL evolved into one of the world's top leadership development organizations, involved in both research and program design and delivery. This case explores CCL's approach to leadership and
