20 Best Book Endocrine System And Selected Metabolic ... CIBA then collected these illustrations in book form, producing the CIBA Collection of Medical Illustrations, which ultimately comprised 8 volumes (13 books). Beginning in 1948, CIBA also re-used illustrations by Netter in another series of materials to be given to physicians, the Clinical Symposia series. These were small magazine-like brochures that typically featured an extensive article on a medical condition, commonly with about a dozen of Netter's illustrations.
