InThe Clash of Generations, experts Laurence Kotlikoff and Scott Burns document our six-decade, off-balance-sheet, unsustainable financing scheme. They explain how we have balanced our longer lives on the backs of our (relatively few) children. At the same time, we've been on a consumption spree, saving and investing less than nothing.

Nonfiction Book Review: The Clash of Generations: Saving ...
Clash of the Generations explores this new and increasingly common workplace phenomenon, and provides strategies to help managers navigate this ever more complex maze. Traditionally, older workers would retire and make room for the next generation; instead, Baby Boomers are now prolonging their time in the workplace, yet the successive generations are still coming in. Senior leaders are now left to manage a blended workplace comprised of up to four generations--each with their own ideas of ...

The Clash of Generations is not for sissies. The authors unflinchingly tell us the grim news about our country's fiscal health. But they also offer bold solutions, gore a lot of sacred cows and in the process make those on the left and right equally ticked off. In fact, the authors call their solutions the "Purple Plans".
