This accessible study is the first critical investigation of the cult of saints among Muslims and Jews in medieval Syria and the Near East. Through case studies of saints and their devotees, discussion of the architecture of monuments, examination of devotional objects, and analysis of ideas of 'holiness', Meri depicts the practices of living religion and explores the common heritage of all three monotheistic faiths.

The Cult of Saints Among Muslims and Jews in Medieval ...
The initial cult of saints was focused on their tombs, but the increasing demand for cult objects in the fourth century led, in the eastern part of the empire, to the practice of moving bodies of saints to new locations, although such translations and the practice of dismembering bodies and distributing the various parts as relics were against Roman law. Along with the veneration of saints through their corporeal remains, a cult of saints focusing on their images, or icons, developed in the ...
