Overview. In 1683, an Ottoman army that stretched from horizon to horizon set out to seize the "Golden Apple," as Turks referred to Vienna. The ensuing siege pitted battle-hardened Janissaries wielding seventeenth-century grenades against Habsburg armies, widely feared for their savagery. The walls of Vienna bristled with guns as the besieging Ottoman host launched bombs, fired cannons, and showered the populace with arrows during the battle for Christianity's bulwark.

The Siege of Vienna, in 1529, was the first attempt by the Ottoman Empire to capture the city of Vienna, Austria. Suleiman the Magnificent, sultan of the Ottomans, attacked the city with 100,000 men, while the defenders, led by Niklas Graf Salm, numbered no more than 21,000. Nevertheless, Vienna was able to survive the siege, which ultimately lasted just over two weeks, from 27 September to 15 ...
