The Event, by Nathan Hystad, takes a common trope and makes it an engaging and satisfying read you won't want to put down. Full of surprises, the story includes interesting characters whose ambitions and loyalties may not be clear for many chapters. The heros face many challenges to accomplish their goals, not to mention mere survival.

The Event by Nathan By star is a very interesting and absorbing read. It had me hooked right away. I felt I was there with them feeling alone, terrified, hunted, and trying to survive. Good change from regular plots on the subject.

The Event (The Survivors, #1) by Nathan Hystad

A trail of clues left by his dead wife guide Dean on a perilous journey across America and beyond, to learn the truth behind the mysterious ships and save humanity from its doom. But not everything is as it seems. The Event is the epic first novel by Nathan Hystad, creator of the bestselling Explorations anthology series.

The Survivors Ser.: The Event: the Survivors Book One by ...

The Event can be read as a stand alone novel, yet it also opens the plot to one or more sequels to the story without leaving The Event unfinished or in a cliff-hanger fashion like some books do. Some seem to nearly stop mid-sentence in an effort to sell the next entry in a series. The Event is much better than that. The Event (The Survivors Book One)

Event: Book launch: The Survivors · Readings.com.au

The Survivors is a character study centered around a murder linked to a mystery of the past. Evelyn Bay, a small coastal town in Tasmania, has seen its fair share of tragedy. 12 years ago, two young men were lost during a tragic accident at sea during a tumultuous storm, while at the same time, a teenage girl went missing never to be seen again.

Nathan Hystad (Author of The Event)

4.0 out of 5 stars The Event (Survivors book 1) Reviewed in the United Kingdom on November 18, 2018. Verified Purchase. This book starts well, with a promising storyline. However about two-thirds in, the storyline became somewhat unbelievable and unrealistic (even in sci-fi terms). I think this author has talent, but needs to work on more ...

The Survivors | LibraryThing

About this Event. Survivors tells the story of the children who survived the chaos and trauma of the Holocaust - and is the first account to follow them through the seven decades of their lives since the war. Survivors has been long-listed for the 2021 Wingate Prize. Rebecca Clifford is Associate Professor of Modern European History at Swansea University and author of Commemorating the Holocaust: The Dilemmas of Remembrance in France and Italy.
