The Iron Ring

The Iron Ring is a ring worn by many Canadian-trained engineers, as a symbol and reminder of the obligations and ethics associated with their profession. The ring is presented to engineering graduates in a private ceremony known as the Ritual of the Calling of an Engineer. The concept of the ritual and its Iron Rings originated from H.

The Iron Ring

Lloyd Alexander, is a self-contained story (as opposed to series) rooted in Indian mythology and folklore. As with "The Remarkable Journey of Prince Jen" and The Prydain Chronicles, Alexander has done research into the mythology and folklore (in a time when that sort of research was harder to do), and the novel
