section § 86a outlaws "use of symbols of unconstitutional organizations" outside the contexts of "art or science, research or teaching". The law does not name the individual symbols to be outlawed, and there is no official exhaustive list. However, the law has primarily been used to outlaw Nazi, Communist, and Islamic extremist symbols. The law was adopted during the Cold War and notably ...

| The Holocaust Encyclopedia Swastika, equilateral cross with arms bent at right angles, all in the same rotary direction, usually clockwise. The swastika as a symbol of prosperity and good fortune is widely distributed throughout the ancient and modern world. The word is derived from the Sanskrit svastika, meaning "conducive to well-being." It was a favourite symbol on ancient Mesopotamian coinage.

As a matter of public law, the post-war German law codes prohibit the display of a swastika in any form or fashion, even if used satirically or as part of an anti-Nazi political statement. This law is generally applied to the specific five-by-five grid swastika design used during the Nazi era, however.

Jewish doctors were forbidden to treat non-Jews, and Jewish lawyers were not permitted to practice law. Like everyone in Germany, Jews were required to carry identity cards, but the government added special identifying marks to theirs: a red "J" stamped on them and new middle names for all those Jews who did not possess recognizably "Jewish" first names—"Israel" for males, "Sara" for females.
