I love this little book and the suggested tunes to listen to whilst baking. My family loved the Cherry Bakewell scones and they were lovely and fluffy. With this book I could quite become addicted to baking scones. Can't wait to try the Lemon curd recipe and Chorizo savoury ones. Absolutely delighted.

The authors of this sweet little book are a husband and wife team who adore and bake scones. As well, they often provide these sweet and savory treats at East London's Broadway Market on Saturdays. I am looking toward an upcoming journey there, and will certainly appear at that Market with pounds and pence ready to purchase.
