The New York Pop-Up Book by Marie Salerno
In New York, there is a new exhibition, in the form of a pop-up store. All the products that we use in our daily life on the shelves are made of plastic bags that get discarded. Among the shelves it is also possible to find puppets and shadow games that transform the store into a three-dimensional film about the impact of the waste generated daily.

New York City is a city of pop ups. We've been to a few pop ups and there while living in other cities, but here you can visit a new pop up every week. We love that they create a sense of urgency to check them out, and it almost parallels the fact that we set up shop in a city for a year. It’s like our home office is a pop up too!
