[The Nonsense Of Free Will](#)~~

~~This is one of the best, balanced and fair books which show 'free will' for really what it is, a nonsense idea. Nonsense, in that it can't even be mapped onto reality. Nonsense, because those who have attempted in providing a definition of it, fail miserably, and actually show how strong the case is for causality and determinism.~~

~~The Nonsense of Free Will: Facing up to a false belief - Kindle edition by Oerton, Richard. Download it once and read it on your Kindle device, PC, phones or tablets. Use features like bookmarks, note taking and highlighting while reading The Nonsense of Free Will: Facing up to a false belief.~~

~~The Nonsense of Free Will: Facing up to a false belief —~~

~~The topic of free will has a very long history, and philosophers have literally published whole libraries about it. Oerton, who is not a philosopher but a solicitor, provides a more down-to earth account, clearly stating that free will doesn't exist. He provides arguments and discusses the wide-ranging implications of this assertion.~~

~~NEWS & REVIEWS —The Nonsense Of Free Will~~

~~In this entertaining, accessible but deeply serious book, the author brings a refreshingly original approach to the age-old conflict between free will and determinism and comes down firmly against free will.~~

~~—The Nonsense of Free Will on Apple Books~~

~~Its philosophical nonsense attached to a scientism world view. One need only to examine their own subjective experience objectively to realize that they have full freedom of will to decide who they are going to be as people.~~

~~Free Will as Nonsense. | Religious Forums~~

~~However, free will does not mean that mankind can do anything he pleases. Our choices are limited to what is in keeping with our nature. For example, a man may choose to walk across a bridge or not to walk across it; what he may not choose is to fly over the bridge—his nature prevents him from flying. In a similar way, a man cannot choose to make himself righteous—his (sin) nature prevents ...~~

~~Do human beings truly have a free will? | GotQuestions.org~~

~~There ' s No Such Thing as Free Will. News Article Religion Science. May 17, 2016. By Stephen Cave. For centuries, philosophers and theologians have almost unanimously held that civilization as we know it depends on a widespread belief in free will—and that losing this belief could be calamitous. Our codes of ethics, for example, assume that we can freely choose between right and wrong.~~

~~There ' s No Such Thing as Free Will | Richard Dawkins —~~

~~The concern is, you see, that if people knew free will does not exist, then they would think it doesn ' t matter what they do. This is of course nonsense. If you act in ways that harm other people, then these other people will take steps to prevent that from happening again. This has nothing to do with free will.~~

~~Others emphasize free will to the point of God not having complete control and/or knowledge of all things. Neither of these positions is biblical. The truth is that God does not violate our wills by choosing us and redeeming us. Rather, He changes our hearts so that our wills choose Him. " We love Him because He first loved us " (1 John 4:19 ...~~
