La Trochita (official name: Viejo Expreso Patagónico), in English known as the Old Patagonian Express, is a 750 mm (2 ft 5 1⁄2 in) narrow gauge railway in Patagonia, Argentina using steam locomotives. The nickname La Trochita means literally "The little gauge" though it is sometimes translated as "The Little Narrow Gauge" in Spanish while "trocha estrecha", "trocha angosta" in Argentina, is often used for a generic description of "narrow gauge."

The Old Patagonian Express (1979) is a written account of a journey taken by novelist Paul Theroux. Starting out from his home town in Massachusetts, via Boston and Chicago, Theroux travels by train across the North American plains to Laredo, Texas. He then crosses the border and takes a train south through Mexico to Veracruz where he meets a woman looking for her long-lost lover.

And The Old Patagonian Express is Theroux at his finest. He takes his scalpel to social dysfunction in El Salvador, boorish Yanks in Costa Rica, and the Duck Soup-level absurdity of the Canal Zone. And it concludes with Theroux stroll I first read Paul Theroux’s travel books as a socially awkward middle schooler who dreamed of voyages to Borneo and Namibia.

Ride the Old Patagonian Express. A voyage aboard the Old Patagonian Express from Esquel to El Maitén recaptures the bygone romance of rail travel. Riding the tracks of a historic narrow-gauge railway, this steam locomotive slices through typically desolate and treeless stretches of the Patagonian steppe. Known locally as La Trochita, which translates literally as 'the Little Narrow Gauge', the train was immortalised by Paul Theroux in his book, The Old Patagonian Express.

The Old Patagonian Express is one of the most famous trains in the world. It's a unique historical and cultural heritage, drawing railroad fans from all parts of the globe. When it was inaugurated, it used to operate as a social train joining Esquel (Chubut) and Ingeniero Jacobacci (Río Negro) along its 402 km (250 mi) rails, until the engine stopped working in 1993.

The Old Patagonian Express is advertised as 'a journey through the landscape and time.' The train ride serves principally as a tourist attraction and for most this will entail a trip meandering from Esquel through the hills to the village of Nahuel Pan 22km away.

[Old Patagonian Express Today--A Journey through Time](#)

The agonies of adventure: A review of The Old Patagonian Express (Paul Theroux) Commuting is a parody of travel; it is a bloodless, necessary chore that, because it involves motion, suggests the very freedom it denies. What better place, then, to begin a travel book than a commuter train? The journey becomes a kind of prison break.
