~~Book Review: The Photographer's Eye | Photofocus~~

"The Photographer's Eye" is the perfect title for this book- It doesn't overwhelm you with essays explaining how to see, how to think and what each image "means". Instead, it presents 5 expertly curated collections of photographs (The Thing Itself, The Detail, The Frame, Time, and Vantage Point) and it gives the viewer just a tiny bit of written information to consider regarding that collection.
