Karen Traviss has done an excellent job with the Gears universe so far, and The Slab is no exception. The story is one of the best yet, detailing Marcus' time in the infamous Slab. It's dark, gritty, and has an air of hopelessness to it even though those who've played the videogames know the best result.

The Slab is a map added in the Fenix Rising
DLC for Gears of War 3. It is based on the
Jacinto Maximum Security Prison. It returns
in Gears of War 4 as part of a free map DLC
that Season Pass owners could play
exclusively from April 4th, 2017. It became
available to all players on April 11th, 2017,
but is only available for private play if the

Slab, was a prison situated on the Jacinto Plateau. The prison was once used to imprison Marcus Fenix for four years, and housed Sera 's worst criminals. The life expectancy for inmates was less than a year. Four years into Marcus' imprisonment, Colonel Hoffman pardoned all of the prisoners in The Slab except for Marcus, and left him to die.
