Sufism, mystical Islamic belief and practice in which Muslims seek the truth of divine love and knowledge through direct personal experience of God. It consists of mystical paths that are designed to learn the nature of humanity and of God and to facilitate the experience of the presence of divine love and wisdom.

Sufism | Definition, History, Beliefs, Significance ...

The Sufis is a scholarly and historical work that traces sufi influence through many fields of human culture both eastern and western. Further studies of the works of Idris Shah will reveal what the reader suspects all along - one must actually seek and find the living human exemplar of the teachings.

The Sufis is one of the best known books on Sufism by the writer Idries Shah. First published in 1964 with an introduction by Robert Graves, it introduced Sufi ideas to the West in a format acceptable to non-specialists at a time when the study of Sufism had largely become the reserve of Orientalists. Shortly before he died, Shah stated that his books form a complete course that could fulfil the function he had fulfilled while alive.

The Sufis - Wikipedia

A Sufi is a member of the mystical, ascetic branch of Islam. Asceticism means abstaining from worldly pleasures, living frugally, and concentrating all of your energy on spiritual development. Sufism emphasizes personal experience with the divine rather than focusing on the teachings of human religious scholars.

“ Like the bat, the Sufi is asleep to 'things of the day' - the familiar struggle for existence which the ordinary man finds all-important - and vigilant while others are asleep. In other words, he keeps awake the spiritual attention dormant in others. That 'mankind sleeps in a nightmare of unfulfillment' is a commonplace of Sufi literature ”
