A tattoo is a form of body modification where a design is made by inserting ink, dyes and pigments, either indelible or temporary, into the dermis layer of the skin to change the pigment. The art of making tattoos is tattooing.

~~Tattoo - Wikipedia~~
Tattoos are permanent markings on the skin made by way of ink and needles. Once the ink is deposited into the second layer of skin known as the dermis, the wound scabs over and the skin heals to expose a design under the new layer. The practice is now an acceptable form of body art.

Tattoos can represent sorrow and warn about danger, or they could be uplifting and inspiring, like an angel design. Angels are associated with heaven and are seen as pure beings, determined to protect all that is good and sacred. For this reason, these tattoos can be a fantastic choice for those who are religious and want to honor their faith.
