This new title is a rewrite of Smith's earlier book TRUTH IS A PATHLESS LAND, with much more provocative writings about the authors own experiments with truth and his own consciousness. The book is dense with insightful information on Krishnamurti and the impact the great teacher had on Smith's lie and work.

The book subtly points out how the mind's identification with external objects and sensations prevents it from seeing itself. The work in Short Stories of the Transparent Mind was selected as a candidate for the Prix Voies Off 2009 in Arles, France, and an exhibition of the work will be shown during Mois de la Photo in Paris in 2010.
