The William Hoy Story - National Ballpark Museum

William Ellsworth Hoy (1862-1961) had an uphill battle in life after contracting meningitis at the age of 3 and lost his hearing. Hoy graduated from the Ohio State School for the Deaf in Columbus as class valedictorian and opened his own shoe repair store in his hometown while playing his beloved baseball

...

Even though The William Hoy Story is not wholly accurate, I still love it. The story is engaging, Hoy is charming, and the illustrations by Jez Tuya are delightful. And, of course, I love it because the main character is a person who has a disability. There aren't enough picture books about people with disabilities. And there's another reason.

The William Hoy Story How A Deaf Baseball Player Changed

...

The ambitions of William Hoy (1862-1961) were clear from the start. The boy thought of little other than baseball and practiced tirelessly in hopes of playing on a team. Achieving his goal brought challenges that he didn't expect, but giving up was not an option. Hoy realized that better communication was needed and knew just the way to do it.

Online Library The William Hoy Story How A Deaf

Hoy was an American center fielder in Major League Baseball who played for several teams from 1888 to 1902, most notably the Cincinnati Reds and two Washington, D.C. franchises. Hoy is the most accomplished deaf player in MLB history, and is credited by some sources with causing the establishment of signals for safe and out calls. He held the MLB record for games in center field from 1889 to 1902, set records for career putouts and total chances as an outfielder, and re
