Thinking Critically. John Chaffee. THINKING CRITICALLY helps students become sophisticated thinkers by teaching the fundamental cognitive process that allows them to develop the higher-order thinking abilities needed for academic study and career success. The text compels students to use their intellect to think critically about subjects drawn from academic disciplines, contemporary issues, and their life experiences.

Thinking Critically | John Chaffee | download
Thinking Critically. John Chaffee. Become a more sophisticated thinker with THINKING CRITICALLY, which teaches you a surefire process for developing the thinking abilities you need for academic and career success. First, you'll build your confidence by learning and practicing basic skills related to your personal experiences. Next, you'll progress to the types of reasoning skills required for abstract contexts -- such as your academic courses.
