Ti Msp430 User Guide

This morning Texas Instruments unveiled Launchpad, a development platform for their low-cost MSP430 line of microcontrollers. We've seen these chips before, most notably in the ez430 Chronos ...

TI Makes A Big Bid For The Hobby Market

[Chris] just solved that problem for us with a CC3000 WiFi library for the Arduino. He ported TI's MSP430 CC3000 library to the Arduino, allowing even the bare-bones Arduino Uno to connect to a ...

TI's CC3000 WiFi Chip Gets A Library

A six-speed manual transmission is standard for all cars, with the exception of the 1.1L Ti-VCT five-speed manual, and the 123bhp petrol version which is offered with a seven-speed PowerShift auto ...

Ford Fiesta review - Engines, performance and drive

There's no manual gearbox, but that's not a deal-breaker ... then from August 2018 there was a higher-spec Veloce Ti with many of the
