VIA 52 User Manual – TomTom Support
Use the supplied mount to install your TomTom VIA in your vehicle. Read the instructions about positioning your device before you install your VIA. To install your VIA, do the following: 1. Connect the supplied USB cable to the mount.

TomTom VIA User Manual
This User Manual explains all you need to know about your new TomTom VIA. To learn about getting started with your device and installing it in your vehicle, we recommend that you read the Get going chapter. After that, you will probably want to connect to TomTom services and you can read all about that in the Connecting to TomTom services chapter.

TomTom VIA - User Manual
Choose the best smooth location, on your windshield or side
window, to mount your TomTom VIA. Tip: If the mount is
integrated into your VIA, you can easily change the rotation of your
device. Push the button on the back of the device to release the
mount, then slide the mount out. Insert it back into the other side of
the device.
