Why We Drive reveals that much more may be at stake than we might think. Ten years ago, in the New York Times -bestselling Shop Class as Soulcraft, philosopher-mechanic Matthew B. Crawford-a University of Chicago PhD who owned his own motorcycle shop-made a revolutionary case for manual labor, one that ran headlong against the pretensions of white-collar office work.

Traffic: Why We Drive the Way We Do (and What It Says ...

The news lumps together "traffic and weather" as if they were both passive forces largely outside our control, even though whenever we complain about it, we do so because we're part of the traffic. (To be fair, I suppose we are now part of the weather as well, thanks to the atmospheric emissions of that same driving.)
