Treasuring Amber is the first book I've read by Helen Hardt. It's number 5 in The Temptation Saga, but can easily be read as a standalone. This story moves very quickly for the majority of the book, from the attraction between Amber and Harper, to the problems Amber has when her past comes back to threaten her.

Tempting Dusty is the first novel in the Temptation Saga series by accomplished author Helen Hardt. A young woman, Dusty always is proud of who she is as a woman and also takes pride in being an accomplished rider. While most men would shirk the chance to ride a bull, Dusty has ridden enough horses and bulls than to be scared of El Diablo.
