Latino urban planner James Rojas describes how Mexican and Mexican American communities in East Los Angeles succeed in placemaking and building community even when there is very little attention from planners and public officials to urban design in these neighborhoods.

Making Multicultural Places - Project for Public Spaces  
Multicultural planning in itself is not a new concept within urban planning. Yet in Denmark it does not seem to have played any obvious role in how urban planning is approached in Copenhagen. But understanding where immigrants fit into the urban space is becoming more important in planning the future of Copenhagen.
