Stanford GSB has the world's top two-year MBA program according to the WSJ/THE ranking. The Wall Street Journal has just released its long-awaited MBA ranking that faced criticism for its complicated methodology and the fact that many of the world's top business schools pulled out. The ranking, a joint effort with Times Higher Education of the UK, does not include many of the most well-known schools, including Wharton, Harvard, Columbia and London Business School, which are all ranked in ...

Adapted from "The Wall Street Journal Guide to Management" by Alan Murray, published by Harper Business. What are the common mistakes of new managers? Good management has been thoroughly studied and is widely understood, but it is still more honored in its breach than in its practice. Most new managers, in particular, get it wrong.
