Water Capitalism: The Case for Privatizing Oceans, Rivers ...
The free-market economy is one of the most important reasons for the wealth creation and improved quality of life humanity has enjoyed in recent generations. In 1950, for example, Norway had the world ’ s highest life expectancy (72.3 years). Now the global average is higher (72.6 years) and in Africa, where it is lowest, it is rising fastest. In China and India alone, more than 1.2 billion ...
