We Rode the Orphan Trains. Overview: Once I had completed Orphan Train Rider: One Boy's True Story, I filed away the interviews I had conducted with other riders. I guess I must have known that I would write another book about the orphan trains. Each rider's story was so compelling, and this history is rapidly slipping away, for only a handful of riders are still alive.

Here, an orphan train is stopping at a station in Nebraska. When orphans grew up, they might find each other and host reunions, in which former riders would meet each other and form bonds over their common experience, riding an orphan train. This is a group photo a group of Minnesota riders had taken during a reunion.

The oral histories were taken of a number of adults who had ridden the orphan trains as children, and gave a good picture of what conditions were faced by those in the welfare system. The challenges of orphan care are presented from the point of view of the children as well as the workers in the system who struggled with limited resources.
