Reading Comprehension Text and Exercises. Interesting Traditional Marriage Customs around the World. Marriage is a recognized union between two people, called spouses, which establishes rights and obligations between them. Also known as matrimony or wedlock, this union can be recognized through social norms and laws or a ritual, and it also accepts the indisputable rights that any children born or adopted within that union have.

~~Comprehension Text and Exercises: Interesting Traditional ...~~

This wedding tradition is thought to originate from Irish weddings. After a couple got married, bells were rang to ward off evil spirits, and help to ensure a harmonious married life. Some Irish brides would even carry bells within their bouquet (small in size, of course), to remind them of their sacred vows.

Thus, culturally responsive communication can be defined as communicating with awareness and knowledge of cultural differences and attempting to accommodate those differences. This involves respect and an understanding that socio-cultural issues such as race, gender, sexual orientation, disability, social class and status can affect health beliefs and behaviours [3 , 6 , 7].
