Mitchell's story-telling is genius and despite my frustration at Rebecca's decision making I understood why she made those decisions. And I defy anyone who reads Witness to claim they saw the end twist coming ... what a totally unexpected head-on freight train crash that is! Witness is a psychological thriller that cannot be missed.

Caroline Mitchell's novel, Witness, delivers everything it promises. A hard-hitting, realistic portrayal of domestic abuse, the story is gripping, frightening and packs a real punch with the twist at the end. Thank you, Ms. Mitchell, for writing so skillfully about a subject that too often still remains hidden behind closed doors.
