Working With Spoken

Discourse for learning to do discourse analysis. It combines theory and practice to give students the grounding they need in practical techniques of analyzing talk and how to apply them to real data.

Working with Spoken Discourse | SAGE Publications Ltd

Working with Spoken Discourse is divided into three sections. The first section covers general issues - the definition of 'discourse' and uses of discourse analysis, the second section covers a series of approaches to discourse analysis and the final section focuses on the applications of discourse analysis in social research and designing and writing up projects.
